

# 30 TON HIGH STATIC DX W/ VFD

Our outdoor-rated air-cooled 30 ton is a small-profile skid-mounted package DX unit with a variable frequency drive. This powerful and versatile air conditioning system has the ability to provide cooling, heating and dehumidification w/ electric reheat for construction, industrial, commercial, and entertainment applications. Like a permanent rooftop unit the 30 ton provides evenly distributed conditioned air.

## Product Features

- Outdoor rated, small-profile skid-mounted package DX unit
- Variable frequency drive (VFD)
- Cooling, heating & dehumidification w/ electric reheat
- Evenly distributed conditioned air like a permanent rooftop unit
- For construction, industrial, commercial & entertainment use

## TECHNICAL SPECS

Cooling BTU / Hr	360,000
Heating BTU / Hr	246,000
Voltage	480V
Phase	3
Electric Heat	72 kW
Cooling FLA	82 A
Heating FLA	103 A
DH FLA	180 A
Connections	Cam-lok
Air Delivery	10,000 – 14,000 CFM @ 2" ESP
Supply Air Outlet	(2) 20" Round
Return Air Inlet	(2) 20" Round
Filter Type	(3) 1.5" x 19" x 46" Washable
Weight	2,250 lbs
Dimensions (L x W x H)	94" x 60" x 84"
Thermostat	Yes
Forklift Pockets	Yes
